MISSIONS BUZZ

Already we have reached another milestone, in that it is the year's end. It is time to look back and think about what has transpired and look ahead to another year. We thank each of you for your faithful part in giving to see that the gospel is fulfilled. We are thankful to be able to count on you, to know you are committed to giving and to know the funds will be there when needed.

Several people applied to serve in short term missions this year, at home and around the world. All applicants were able to go to minister the Gospel of Jesus Christ; to the east coast of the USA, Western Europe, China, and Ghana through provision of missions funds!

There are great needs that we have not begun to reach, around the world and at home, but perhaps we can do even more this next year to meet some of these needs and get the gospel out to them. ASON has told us of some financial needs of missionaries who have lost support and children growing up in dire poverty. Adoption is a way to meet their needs. Won't you reach out to one of these children and support him or her so that their basic needs will be provided?

In July plans were beginning to be formulated for our annual Missions Conference. It seemed there were lots of delays, but it finally materialized on November 12-13. It was a really nice event with an International Supper and three 2012 missionary candidates speaking. If you have not yet filled out your 2012 faith promise form, please include one or more of these candidates in your pledge. They are truly worthy candidates and all have ties to our church; either growing up in the church or having family members now serving in the congregation.

It has been a fast year and a good year! We want to do more in the next year to get the message of Our Lord and Savior out to those around the world and at home.

he cannot see the kingdom of God."**

MAKS *(Moms And Kids)*

MAKS is a Moms And Kids group that meets the **first & third Tuesday** of each month in the Fireside Room from **10am to noon**. There is no cost to attend. Meetings are geared toward mothers with small children; but all are welcomed & encouraged to attend. It is a blessed time to relax, unwind & enjoy spending time learning together as mothers. Then we have the benefit of a meal together while our children are well cared for & having fun. *Whether you have come in the past or are new to MAKS, put us on your calendar for a little "mom time."*
