“Amazed Beyond Amazement”
 Associate Pastor of Ministry Advancement & Adult Ministries
 Howard Lundeen

Have you ever simply sat down and started to think about God? You may ponder such things as: How powerful He is! How sovereign He is! How He is always present! or How he knows everything! There is no limit to the awesome attributes of God which we may think about.

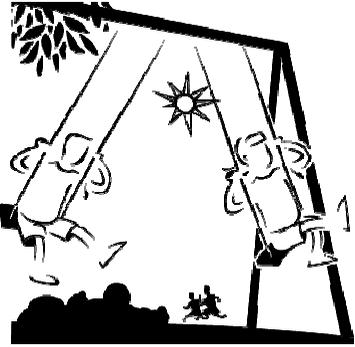

The other morning as I sat in the recliner in our living room I started thinking about the fact that God knows everything. First of all, I thought about all He knows about me. He knew exactly where I was at that moment. He knew the thoughts that were on my mind. He knew every detail about my life, even the number of hairs on my head (Matt. 10:30). That morning God already knew what was going to happen to me in the moments and hours of the day ahead. He is all knowing and that's hard to grasp! In fact, it's bigger than my mind can effectively process.

I can maybe handle the fact that God knows all the details in my life; however, the fact that he knows every detail in my life, your life and the lives of everyone in America and the whole world at this moment is extremely mind stretching! Stop and think about what this is saying about God. Every second the thoughts, actions and locations of billions of people are changing; yet, at this moment God knows it all! There is nothing He does not know!

Even more amazing is the implied fact that God is fully aware of the location and condition of every fish in the sea. At the end of Chapter 17 of Matthew, we read where Jesus and the disciples were expected to pay the two-drachma temple tax which they didn't have the money to pay. Jesus told Peter, "Go to the lake and throw out your line. Take the first fish you catch; open its mouth and you will find a four-drachma coin." Pretty amazing, huh?! He knew where the fish was and what it had in its mouth. How fun it would be to have Jesus join me on a fishing or hunting trip. We'd out-fish or out-hunt all of you.

“Amazed Beyond Amazement”

Equally astonishing is how our God who knows everything about us, good and bad, still loves us enough to be willing to bring transformation into our lives. His great desire is that none should perish, but that all should come to repentance. He longs for us to repent of our sins, ask for his forgiveness, and become followers of Jesus Christ. God has promised to fill us with his Spirit who brings new purpose and direction into our life. We become new creatures, born again, who begin to grow in our understanding of God and his glory. Wow! What amazing truth!

Think about it! God is way, way beyond our ability to fully comprehend or understand. He knows every detail about us and wants us to experience a personal relationship with Him. He doesn't want anyone to perish, but everyone to come to repentance (2 Peter 3:9). I'm amazed beyond amazement at how great and glorious He is!! Let's seek to know Him better and to boldly proclaim in word and deed the marvel and wonder of our Amazing God!!

Seeking to know God & make Him known,

Pastor Howard
